**(as of May 17, 2017)**

**Brushy Mountain**, (800) 233-7929 - Attendees may pre-order products to be brought to the meeting. We will start taking orders 2 weeks prior to the meeting. They will receive a 10% discount on the order. We ask that orders be picked up 30 minutes prior to the start of the meeting and at the end of day on Friday, June 16<sup>th</sup>.

**Dadant**, (800) 220-8325 – will take order to be delivered to the meeting. Place your orders by Tuesday, June 13<sup>th</sup> – There is a 5% discount for all pre-orders.

**Frank & Linda Wyatt**, W G Bee – jewelry, t-shirts, bee related items

**Frank & Linda Wyatt, Books & More (formerly BC Books)**, Books & More has bought out Bob Cole (BC Books). We will promise to have the same quality of books that Bob has presented for years. Looking forward to serving you as Bob has done for so many years.

**G & S Apiary**, (757) 357-7393 – soaps, candles, lotions, slaves and tinctures; early order are accepted. G & S Apiary is on facebook and etsy.

**Hannahgrams Boutique**, - **Hannah Davis**, (865) 806-7813, email: hannahgramsboutique@gmail.com. I do customized shirts, decals, mugs, and more. I make all my things to order so everyone chooses their shirt color, design, and design color just the way they want it. I have samples to look at and choose from. You can pre-order if placed by June 1st. If you wish to place an order, please contact by email and I can send you options and more information.

**Geezer Ridge, Ed Forney**, (304) 702-3848 – All Mann Lake products. Will accept pre-orders through the cut-off date of Tuesday, June 13<sup>th</sup> at noon. We have greatly reduced prices on wooden ware, including assembled hives. Call Ed with questions or orders.

**Bee Hive Thermal, Lynn Williams**, (803)504-9313, email: lynn@beehivethermalindustries.com. Bee Hive Thermal Industries invites all attendee customers to visit the booth for a show and tell on how to finally rid their hives of the varroa mite. Their product is a pesticide free, non-invasive and organic approach to assisting bees in their natural environment. Special pricing applies at all bee conventions and meetings. Show price is \$279.99 discounted from the price of \$299.99 regular price plus saving the shipping/handling cost of \$30.00.

**The Hive Butler, Karen Lancaster and Tracy Pielemeier**, (317) 896-0456, email: Thehivebutler@gmail.com. It is a Food-grade container for secure honey frame transport and storage. It is can be used for protecting newly-built frames or drawn comb during transport, or storage. It has a screen-top lid option for short-term bees-on-the-frame transport, and swarm collection. It easily keeps queens safe and sound while working the hives or doing splits. You can put wet frames in after extraction, so bees can clean. It is dishwasher safe and only weighs 7lbs. You can pre-order, to be delivered to meeting.

**Honestbee Hives, Kim Wood**, (919) 244-8306, website: www.HonestbeeHives.com. Honestbee Hives offers insulated polypropylene hives, queen mating hives and beekeeping essentials. You may view products at www.HonestbeeHives.com and preorder by Tuesday June 13 via phone for meeting pickup.

**BroodMinder, Theo Hartmann**, (804) 938-7077
