

VSBA Scholarship Application 2023-24

Qualified candidates must complete an application form providing their basic contact information, brief beekeeping experience and education, and other relevant data.

Candidates must provide at least two references from professors or academic advisors.

Candidates must write an essay of no less than two paragraphs and no more than 2 pages describing the reasons they feel they should be awarded the scholarship. Please address one of the following questions in your essay.

1. What inspired you to pursue your chosen field of study or career path, and how do you plan to make a difference in this area for pollinators?
 2. How do you plan to use your education and skills to promote pollinator conservation and educate others about its importance?
 3. What do you think are the most promising new technologies or approaches for promoting pollinator conservation, and how do you plan to stay up-to-date on these developments?
- Application and essay must be typed or legibly printed in blue or black ink.

Applications must be received by the Chairperson of VSBA Scholarship Committee by April 1 of the academic year in which the applicant will attend college.
