March 2022 Class Dates: 7th, 14th, 21st, and the 28th 6-9 PM Each Night

".

This is a 4-week course meeting once a week on Monday nights from 6 pm-9 pm in the Coleman Nursery classroom located in the back behind the main nursery office at 3000 Ironbound Road, Williamsburg 23185.

Basic Beekeeping Course is designed to familiarize you with the BASIC knowledge of beekeeping. This course is a first step in the study of beekeeping practices and principles and the first required course for the "Apprentice" beekeeper level in the Virginia Beekeepers Association Master Beekeeping Program

You will learn the fundamentals about beekeeping equipment and where to find the necessary tools for your hives; honey bee biology class and afflictions; feeding your bees and where to place your hives; how to do proper inspections of your hives, and how and when to extract honey.

We provide a textbook from the Penn State College of Agricultural Sciences – Basic Beekeeping. Plus lots of extra handouts to enhance your learning experience.

You will also receive a certificate if you attend all four classes.

To ensure you get a seat, enroll soon since our classroom space is limited and will fill up quickly.

Don't Bee late!"

Coleman Nursery, 3000 Ironbound Road, Williamsburg, VA 23185
